INSTRUCTIONS

I. Producing Facility

Registration Number: Write the seven digit number assigned for the tank battery from which the produced water will be transported. If you have not registered or cannot locate the registration number, please call (502) 564-3410.

Lease Name: Give lease name of facility from which the produced water will be transported.

List the producing well's permit number assigned by the Division of Oil and Gas Conservation.

Operator's Name, Address, and Telephone Number: Give the complete name, mailing address, and telephone number of the facility operator.

Barrels of Water Produced Per Day: Give amount of water that is produced per day (example: barrels/month or gallons/day, etc.)

II. Hauler

Hauler's Name, Address, and Telephone Number: Give the complete name, mailing address, and telephone number of the transporter.

Transport Vehicle Information: (a) License Number: If more than one vehicle is to be used, list all numbers (use separate sheet, if necessary). (b) Description: Give the year, make, and capacity of the transport vehicle(s). Or specify alternate method of transportation such as pipelines, etc.

III. Disposal Site

Registration Number: Write seven digit number assigned for the tank battery to which the produced water will be transported. If you have not registered or cannot locate the registration number, please call (502) 564-3410.

Lease Name: Give lease name of facility to which the produced water will be transported.

Disposer's Name, Address, and Telephone Number: Give the complete name, mailing address, and telephone number of the disposer.

Location: Give the county name and the Carter Coordinates of the disposal site. If not in Kentucky, please indicate which state.

Final Method of Disposal: Mark final method of disposal (a) Enhanced Recovery: Give the underground Injection Control (UIC) permit number of the disposal facility, if available. Use the Department of Mines and Minerals, Division of Oil and Gas injection well permit number if UIC permit number is not available. (b) Disposal Well: Refer to instructions for (a), enhanced recovery. (c) No Discharge System: Give a brief description of the no discharge system.

IV. Signature:

the person who is responsible for the operation that generates the produced water shall sign this form. Date, Name, and Title: Self-explanatory.

Send the completed application to the Industrial Section, KPDES Branch, Division of Water, 14 Reilly Road, Frankfort, Kentucky 40601. Transport of produced water cannot occur until approval has been granted by the Division of Water.
